

Common Pathologies of the Lumbar Spine: Diagnosis and Treatments

Wednesday, June 14, 2023

5:00PM-7:00PM • Zoom Webinar

5:00PM-5:10PM

Introduction

Libi Galmer, D.O.

Program Co-Chair

5:10PM-5:30PM

Radiology and the Lumbar Spine

Kory Byrns, M.D.

Attending Physician

Department of Radiology

NewYork-Presbyterian Queens

5:30PM-5:50PM

Non-Orthopedic Causes of Back Pain: A Differential Diagnosis Lecture

Stanley Guillaume, M.D., MPH

Sport Medicine Fellow

Department of Physical Medicine and Rehabilitation

NewYork-Presbyterian Hospital

5:50PM-6:00PM

Q & A

6:00PM-6:20PM

Interventional Management of Lumbar Radicular Pain

Jason Hu, M.D.

Attending Physician

Department of Physical Medicine and Rehabilitation

NewYork-Presbyterian Queens

6:20PM-6:40PM

Endoscopic Treatment of Lumbar Stenosis

Lynn McGrath, Jr., M.D.

Attending Physician

Department of Neurosurgery

NewYork-Presbyterian Queens

6:40PM-7:00PM

Q&A and Closing Remarks

PLEASE NOTE

With our Zoom platform, we are able to document the length of your participation. Physicians claim credit based on participation time, rounded to the nearest quarter hour; this is the number of credits awarded.

ZOOM LINKS for this course will be provided to registrants prior to the event.

Statement of Need

Hip and Spinal Injuries are common at any age group. Low back pain is one of the most common reasons for orthopedic visits. Assessment of these injuries is a key component as to the direction of the treatment. Often, hip injuries appear to be spinal injuries and spinal injuries and hip injuries. Some injuries are related to the hip, and some hip injuries are actually spinal conditions. This symposium looks at the various hip and spinal injuries and discusses the surgical and non-surgical treatment options. These options include physical therapy, medicine and new and innovative surgical interventions.

Target Audience

Orthopedic surgeons, sports medicine physicians, physiatrists, physician assistants, physical therapists, occupational therapists, athletic trainers, coaches, sport administrators

Educational Objectives

- Provide an overview of radiological imaging and spinal disorders.
- Describe non-orthopedic causes of low back pain.
- Review the interventional Management of lumbar radicular pain.
- Identify endoscopic treatment of lumbar stenosis.
- Determine proper management of spinal pain based on radiological imaging and clinical findings.
- Explain proper surgical procedures techniques for spinal pain and dysfunction.

Accreditation

NewYork-Presbyterian Queens is accredited by the Medical Society of the State of New York to provide continuing medical education for physicians.

NewYork-Presbyterian Queens designates this live activity for a maximum of **2.0 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Accreditation for Board of Certification for Athletic Trainers

NewYork-Presbyterian/Queens is recognized by the Board of Certification, Inc. to offer continuing education for BOC Certified Athletic Trainers.

This program has been approved for a maximum of **2 hours of Category A continuing education**. BOC Certified Athletic Trainers are responsible for claiming only those hours actually spent participating in the continuing education activity. BOC Approved Provider Number: P8660

CEHs for Physical Therapists & PT Assistants

This course has been approved by the APTA New York for **2.4 Contact Hours**.

Disclosure Statement

NewYork-Presbyterian Queens relies upon planners and faculty participants in its CME activities to provide educational information that is objective and free of bias. In this spirit, and in accordance with the guidelines of MSSNY and ACCME, all speakers and planners for CME activities must disclose any relevant financial relationships with commercial interests whose products, devices or services may be discussed in the content of a CME activity that might be perceived as a real or apparent conflict of interest. Any discussion of investigational or unlabeled uses of a product will be identified.

Registration Fees

\$50 Physicians / \$25 General Registrants / No Fee: Physicians-in-training, NYP Queens Physicians & Staff (copy of NYP Queens ID required with registration)
