

Opportunities and Challenges to Address the Opioid Epidemic Tuesday, September 17, 2019

Accreditation for Joint Providership

This activity has been planned and implemented in accordance with the **accreditation requirements** and Policies of the Medical Society of the State of New York (MSSNY) through the joint **providership** of NewYork-Presbyterian Queens and St. John's University College of Pharmacy & Health Sciences and Academy of Medicine Queens County. NewYork-Presbyterian Queens is accredited by the MSSNY to provide continuing medical education for physicians.

NewYork-Presbyterian Queens designates this LIVE ACTIVITY for a maximum of *4.0 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

7:30 – 8:15	Registration
8:15 – 8:30	Welcome Remarks
8:30 – 9:30	Pharmacology and Medicinal Chemistry of Opioid Medications Ketan Patel, Ph.D. Vijaya Korlipara, Ph.D.

Objective 1: Explain the basic mechanism of action of opioid medications

Objective 2: Describe novel strategies for the development of safe and effective pain medications

Therapeutic Considerations in the Prescribing of Opioids
Hira Shafeeq, Pharm.D.

Objective 3: Review current opioids for pain management

Objective 4: Describe optimal prescribing for acute and chronic pain management with opioids

9:30 – 10:30 **Multi-modal (non-opioid) Approaches to Pain Management**
Samantha Jellinek-Cohen, Pharm.D.

Objective 1: Identify evidence-based non-opioid options for treatment of pain
Objective 2: Consider alternatives to opioid medications for treatment of various pain syndromes

Epidemiology of Opioid Misuse and Addiction

Joanne Carroll, Ph.D.

Objective 3: Describe the current scope of the problem in the U.S.

Objective 4: Describe the demographics of opioid use and misuse in the U.S.

Objective 5: Identify determinants contributing to the current opioid epidemic in the U.S.

10:30 -10:45 **BREAK**

10:45 – 11:45 **Therapeutic Cases**
Maha Saad, Pharm.D.

Objective 1: Review clinical cases for acute and chronic pain management

Objective 2: Formulate safe and effective care plans for pain management

Identification and Treatment of Opioid Use Disorder

Farah Khorassani, Pharm.D.

Objective 3: Identify risk factors and key features of opioid use disorder (OUD)

Objective 4: Review best practices for integrated medication-assisted treatment (MAT)

11:45 – 12:00 **BREAK**

12:00 – 1:00 **Regulatory Policy and Harm Reduction Strategies**
Sarah Smith, Pharm.D.

Objective 1: Discuss current legislation/policy that impacts professional prescribing, dispensing and administration of opioid medications

Objective 2: Discuss public health strategies to combat the opioid crisis

Objective 3: Explore challenges and solutions for health care providers/professionals in addressing opioid misuse

Opioid Overdose Prevention and Response

Olga Hilas, Pharm.D.

Objective 4: Identify risk factors and signs of an opioid overdose

Objective 5: Describe the appropriate use of naloxone for an opioid overdose

Continuing Education Credits

* St. John's University College of Pharmacy and Health Sciences is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Completion of this program provides a total of up to 4 hours of continuing education credit. In order to obtain credit, participants must complete required continuing education forms and submit them on site.

The Universal Activity Numbers assigned to this program are: 0043-9999-19-044/045/046/047-L01-P. Credit will be posted to CPE Monitor within three weeks.

Accreditation for Podiatric Medical Education for Podiatric Medical Education – Joint Providers

This activity has been planned and implemented in accordance with the standards and requirements for approval of providers of continuing education in podiatric medicine through a joint provider agreement between NewYork-Presbyterian Queens and St. John's University College of Pharmacy & Health Sciences and Academy of Medicine Queens County. NewYork-Presbyterian Queens is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. NewYork-Presbyterian Queens has approved this activity for a maximum of 4 continuing education contact hours.

Opportunities and Challenges to Address the Opioid Epidemic Tuesday, September 17, 2019

Purpose of the program is to educate on how opiates work, learn alternative pain management techniques, and gain knowledge on treating acute opiate overdose and chronic addiction.

Targeted Audience: Physicians, Pharmacists, Podiatrists, Physician Assistants, Pharmacist, Pharmacy Assistants, Nurses, Nurse Practitioners, others clinicians involved in the care of patients with chronic pain.
